Dear Parents/Carers,

Please find attached information which has been provided by National Online Safety regarding the upgraded version of Fortnite.

There are risks associated with playing the game that parents/carers should be aware of.

The attached information leaflet aims to empower parents, carers and trusted adults by providing them with the information they need to hold an informed conversation about online safety with their children, should they feel it is needed.

Please visit [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com) for further guides, hints and tips for adults

Kind regards

Caroline Dearden
